United Way of Collier and the Keys

2023-24 Monroe County Community Investment Partners

United Way of Collier and the Keys is dedicated to improving the education, health and economic mobility of our neighbors in Collier and Monroe Counties. Through strategic partnerships and collaborative efforts, UWCK addresses critical social issues and works towards driving positive, sustainable change to build stronger, healthier and more resilient communities.

We can help thanks to these United Way partners and programs:

Burton Memorial United Methodist Church:
- A food pantry & dinner serves residents needing access to fresh produce, meat & common staples.

Cornerstone Resource Alliance Inc:
- Provides meals for those who cannot purchase or prepare food due to their homeless status.

Diocese of Southeast Florida Inc (Hammock House):
- Provides children a healthy environment where they can thrive.

Dolphins to Stop Domestic Violence Inc:
- Provides Rx assistance to qualifying residents.

Domestic Abuse Shelter Inc:
- "Economic Justice" offers educational classes regarding finances & job attainment skills.

Florida Keys Area Health Education Center:
- Provides primary medical care & full-service dentistry for medically vulnerable children.

Florida Keys Healthy Start Coalition:
- Programs support the health & well-being of pregnant women, infants, young children & their families.

Florida Keys Outreach Coalition:
- Provides homeless prevention activities & ongoing case management.

Grace Jones Community Center Inc:
- Provides high quality daycare & after-school programming.

Heart of the Keys Recreation Center:
- After-school program provides recreational & educational activities

Independence Cay Inc:
- Soup kitchen provides help to those in need.

Keys Area Interdenominational Resources:
- Food pantry can substantially alleviate the struggle to cover basic needs.

Monroe Assoc. for ReMARCable Citizens:
- FIT provides a healthy meal 5 days a week.

Star of the Sea Foundation Inc
- Works with local vendors to redirect fresh foods from the waste stream to households in need.
