- Keys Area Interdenominational Resources (KAIR)
- Marathon Rec Center
- Monroe Association for ReMARCable Citizens
- Star of the Sea (SOS) Foundation

## Our Programs

**VITA** helps individuals prepare their taxes for free. Run by IRS-trained volunteers, this program helps families obtain Earned Income Credits and maximize their refund.

**KeysHelp.org** and the **Community Resource Guide** provide essential support, connecting people with childcare, food, housing, healthcare resources, and more.

**Dolly Parton's Imagination Library** is a book gifting program that promotes early literacy by mailing free, high-quality books to children from birth to age 5 every month.

**Success by 6** partners with the Early Learning Coalition to fund School Readiness scholarships, helping low to moderate income families access quality preschool education.

The **Feed the Keys Food Drive** commemorates the legacy of "Mangrove" Mike Forster. Annually, the community pays tribute to his spirit with a food drive.

## DID YOU KNOW WE ALSO SUPPORT REEF REVITALIZATION IN THE FLORIDA KEYS?
